MEMORANDUM FOR THE DIRECTOR:

1. This memorandum contains a recommendation in Paragraph
2. The READER'S DIGEST have condensed your speech of 22 August 1960 to the Veterans of Foreign Wars in Detroit. Attached hereto is a copy of your speech showing the changes made by the editors of the DIGEST. There is also attached the text of the condensed article that they would like to run and which they have tentatively scheduled for December 1960. They ask your approval of this condensation. I explained to the DIGEST that you have never to my knowledge approved such a condensation, but have in some instances permitted publication of excerpts. They in turn point out that they condense all speeches, books, etc., that they publish and believe that they have done a good job on your speech, and they believe you will approve the request. They are willing, of course, for you to make such changes as you see fit. No changes in the text seem necessary.
3. RECOMMENDATION: That you do approve their publishing this condensation.
